

20th Annual PTSBC Conference

October 23 & 24, 2026

Be part of BC's premier event for Pharmacy Technicians and Assistants.
Here's what you can look forward to:

Prizes & Giveaways – Last year, we awarded over 30 prizes worth more than \$4,000, including gift cards, Apple AirPods, AirTags, speakers, educational grants, and a \$500 mystery Grand Prize. Don't miss your chance to win — plus our popular 50/50 draw!

Learning & Development – Saturday features a full program of accredited sessions (anticipated CCCEP accreditation: 5-7 hours).

Entertainment – Kick off the weekend on Friday night with a lively vendor reception followed by a mystery entertainment – we can't reveal it yet, but trust us, you won't want to miss it.

Networking & Exhibits – Connect with industry leaders, discover innovative products, enjoy delicious food and drinks, and build meaningful relationships with colleagues from across BC.
