

The Best of BC – without the Price Tag

If you desire a friendly, supportive workplace along with short commutes, amazing scenery and outdoor living at its best, then you owe it to yourself to check out the opportunities we have available in beautiful Northern British Columbia.

Pharmacy Technicians Permanent Full Time and Casual – Various Locations in Northern BC

The Pharmacy Technician operates in accordance with the competency guidelines and scope of practice and standards of practice for Pharmacy Technicians as outlined by the College of Pharmacists of British Columbia, and according to organizational policies, procedures, standards and unit specific protocols.

Processes medication orders that are clinically reviewed for therapeutic appropriateness and approved by a Pharmacist. Receives verbal and non-verbal prescriptions from practitioners and ensures that prescriptions are complete and authentic. Prepares, processes and compounds prescriptions. Ensures the accuracy and completeness of dispensed prescriptions prepared by self or others by verifying order entries and/or performing the final check of dispensed prescriptions. Processes prescriptions for temporary inpatient leaves of absence. Transfers prescriptions to and receives prescriptions from other pharmacies. Enters and ensures the accuracy and completeness of drug and personal health information in the Pharmacy information system. Maintains stock levels and performs clerical duties as assigned

To be successful you must have Grade 12, graduated from recognized Pharmacy Technician course, one (1) year's recent, related experience or equivalent combination of education, training or experience.
