

PTSBC Member Discount Program

This program offers hundreds of savings from a variety of merchants available on your smart phone. Powered by Endless Savings & More (ESM), this program is available to PTSBC Members and their families.

How It Works

- Install the ESM App on your smart phone to view hundreds of available savings
- GPS automatically shows merchants and savings that are closest to your current location
- Tap on any merchant to view actual offers & tap on any offer for redemption details
- For physical locations, you typically show the offer on your smart phone at payment

Getting Started

- **On your smart phone** (not your laptop or PC), go to the ESM Mobile Website at: www.ESMobileApp.com to download the PTSBC version of the ESM App.
- During registration you will be asked for an "organization code":

The PTSBC "Organization Code" is: ptsbc

- When you first link to the ESM App you may get a pop-up message asking to use your current location. Tap "OK", "Allow" or "Accept". ESM uses "locations services" or GPS to automatically show you offers that are closest to your current location first.

How to Save Hundreds

- Check out the PTSBC "Exclusive Offers" and save an average of \$150 per year with Co-operators group rates for property insurance or up to \$100 with new smart phone credits from Rogers. PTSBC "Exclusive Offers" always appear first when you tap the ESM App.
- Savings or discounts per offer vary by merchant and value of purchase but average about \$10 per redemption. Use the app a couple of times a month to save additional hundreds per year.
