# The Program

12:00 - 1:00 PM  
&  
5:00 - 6:00 PM

**Virtual Passport: Trivia at our Manufacturers Exhibits**

**Virtual Passport: Trivia at our Manufacturers Exhibits**

6:00 - 6:15 PM

**Greetings from CSHP-BC Branch Executive Council & CSHP-BC Branch Award Presentation**

6:15 - 6:45 PM

**Update on HIV Antiretrovirals - Some New Kids on the Block**

In recent years HIV treatment has seen the introduction of some newer antiretrovirals and some shifts in treatment approach. This presentation will provide a basic introduction to some of these newer agents and briefly discuss their place in therapy.

**Osric Sin** BSc(Pharm), ACPR

Pharmacy Coordinator, St. Paul's Hospital Ambulatory Pharmacy  
Providence Health Care, Vancouver, BC

6:45 - 7:30 PM

**It's All About The Clot: Updates in Medical Management of Ischemic Stroke**

This presentation will focus on updates in the medical management of ischemic stroke, focusing on the latest research in antithrombotic therapy.

**Kirsten George-Phillips** BSP

Clinical Practice Leader, University of Alberta Hospital  
Alberta Health Services, Edmonton, AB

7:30 - 8:15 PM

**Top Trials of 2019-2020: Non-COVID-19 Edition**

This year, for the first time ever at a CSHP-BC event, we are taking a panel approach to our top trials talk. We have invited specialists in the fields of internal medicine, nephrology and psychiatry to each present one recently-published, thought-provoking trial.

**Mark Ho** BSc(Pharm), ACPR

Clinical Pharmacist, Hemodialysis Unit, Royal Columbian Hospital  
Fraser Health, New Westminster, BC

**Dr. Andrea Wan** BSc(Pharm), ACPR, PharmD

Clinical Pharmacy Specialist in Psychiatry, St. Paul's Hospital  
Providence Health Care, Vancouver, BC

**Dr. Leanne Leung** BSc(Pharm), ACPR, PharmD

Clinical Pharmacy Specialist in General Internal Medicine, St. Paul's Hospital  
Providence Health Care, Vancouver, BC

# The Details

## Learning Objectives

1. To expose attendees to clinical topics/controversies in pharmacy practice.
2. To improve knowledge of various areas of pharmacy practice.
3. To keep up-to-date in the following areas: treatment of HIV, ischemic stroke, nephrology, psychiatry, and cancer-associated venous thromboembolism.

### Ticket Prices:

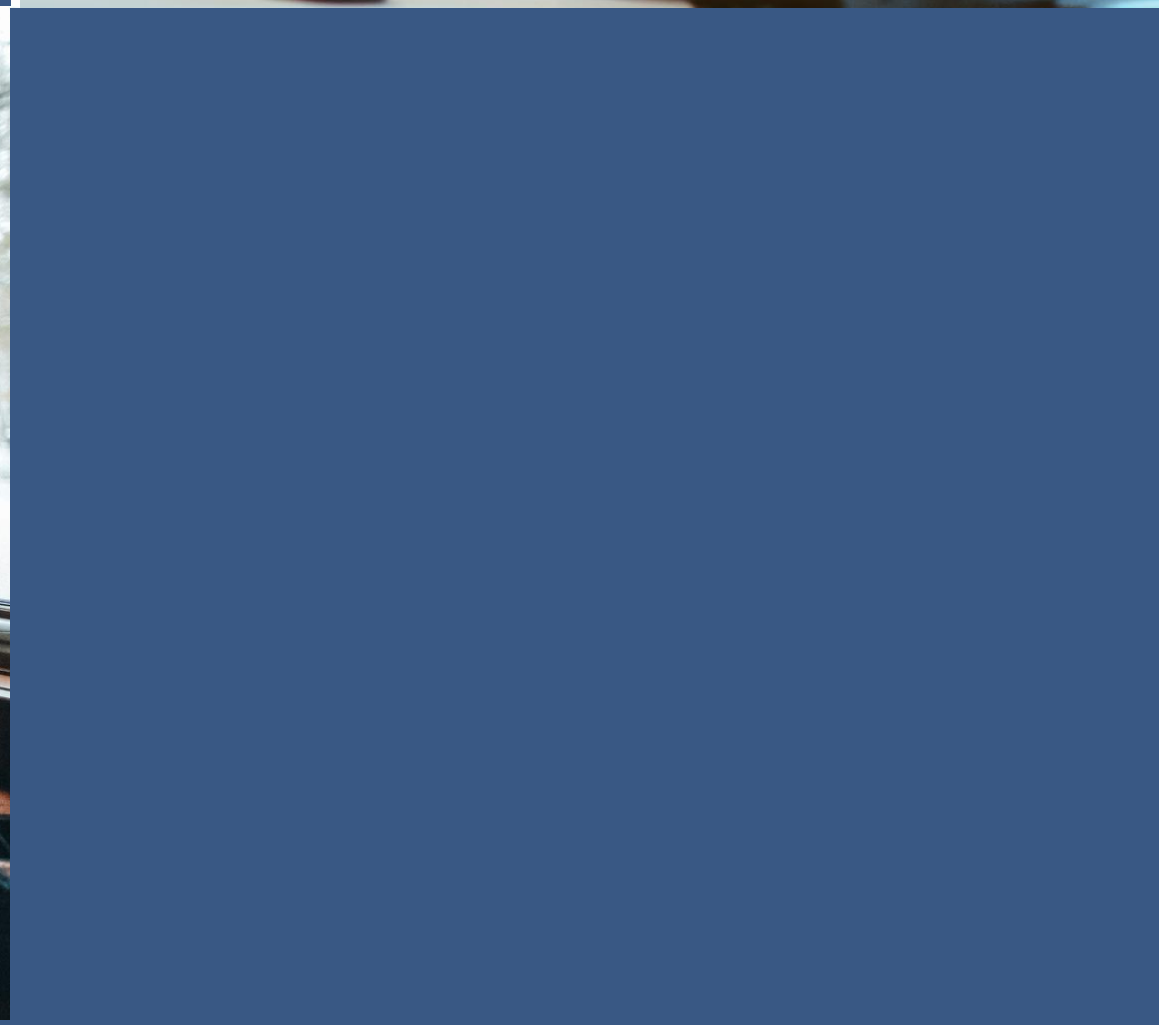

CSHP Members: \$15  
Non-Members: \$45

This event will be reviewed  
for accreditation by the  
CSHP-BC Branch for 2 CEUs

### Register Online at:

<https://cshpbc-cs2020.eventbrite.ca>

# *Livestream your way.*

## **What's livestream?**

Livestream is a method to broadcast an audiovisual presentation in real time over the Internet. The platform permits audience members to view and listen to a presentation and to participate by typing in questions and comments in a chat box. Check out our FAQs on Eventbrite!

## **How do I receive the livestream link?**

The livestream link will be sent to you 24 hours before the event. If you do not receive the link, first check your Junk Mail and then email: [programs@cshp-bc.com](mailto:programs@cshp-bc.com).

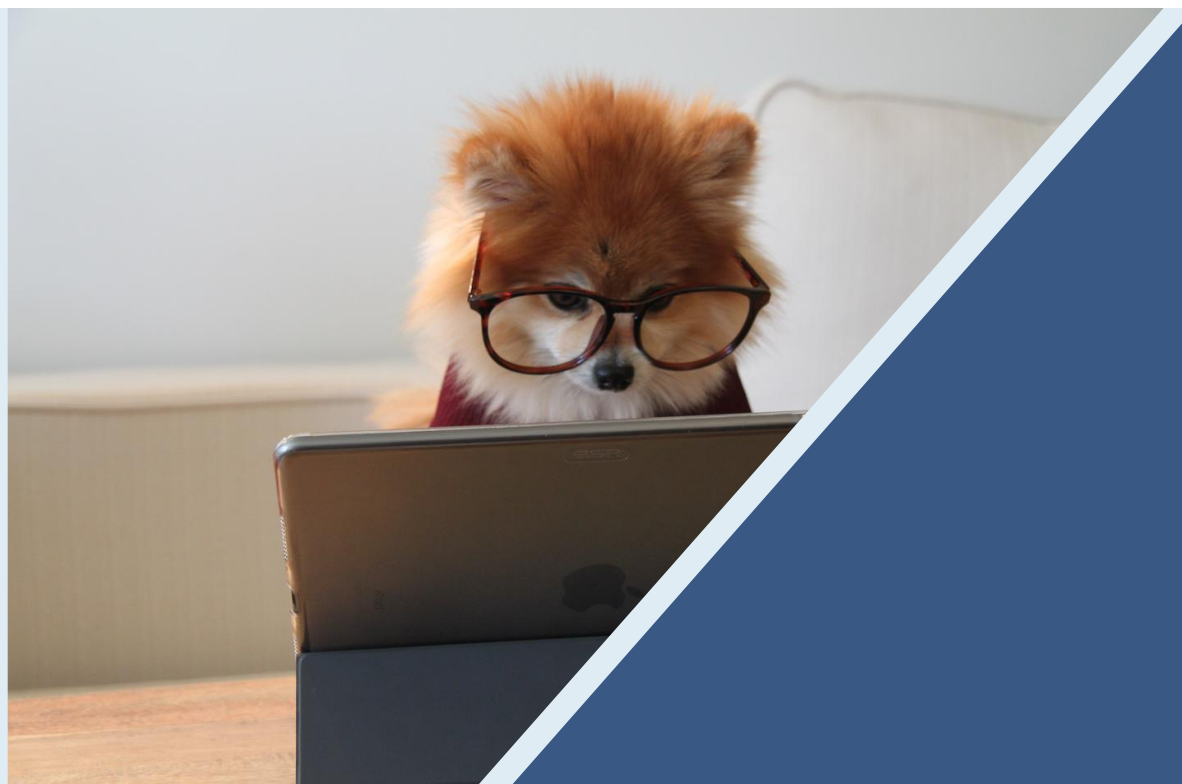

## **How do I get my livestream set-up featured on your next brochure?**

Show us your livestream set-up for Clinical Symposium using **#mycshpbclivestream** for a chance to have your set-up featured!
